Retailer Notes:

Well, it was bound to happen sooner or later ... it happened sooner. The

first of the anime DVDís ship this month with Toshinden and Street Fighter II.

The Ghost in the Shell DVD has been delayed until July. Expect a few more

releases shortly. Quite a few products on this list are, surprisingly, repackages and repricings this time month as vendors shift their

product

lines around. Expect this to continue. Anime 18 releases the second volume

of the Venus 5 set (the last), and US Manga Corps finishes up the Votoms

series. AnimEigo has a new release this month in the Crusher Joe movie (a

hard SF film ... fairly unique in the genre), and Kitty is releasing their

second title with Advancer Tina. Also, those Ryo-Ohki dolls are FINALLY

shipping this month! For a picture of the little guy, please visit the news

page of our internet website.

JEFFÍ'S PICK(S) OF THE MONTH

A draft copy of the VOTOMS Roleplaying Game text happened my way the other day,

and it's one of the most impressive things I've seen in a long time! Even

if you don't roleplay, it's got tons of backstory from this

series ... think about it! Those Ryo-Ohki dolls will probably fly out of

the store now that they're on the way, too. Still, the real treat is to

see what the new DVD subtitles look like ... they're WAY cool!
